

Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number #100134

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Advanced Containment Systems, Inc. (CN600322648) has submitted an application for renewal of permit number #100134. Advanced Containment System, Inc – Lambright facility (RN100613447) designs and manufactures a variety of custom trailers including the following: restroom and shower trailers, homeland security, abatement, and military industrial trailers. Advanced Containment System, Inc – Lambright facility at 8720 Lambright Rd., Houston, Harris County.

This renewal will authorize the continued operation of the custom trailers – including painting and fabrication operations. Advanced Containment Systems, Inc. has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
VOC	23.06
Exempt Solvent	0.66
PM	0.02
PM10	0.02
PM1.5	<0.01
Individual HAP	<10
Total HAPs	<25

The facilities being renewed continue to be controlled by limiting the organic solvent content of the coatings and amount of coatings used.
