

## Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number 106953L001

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Colorado Materials, Ltd. (CN600522452) has submitted an application for renewal of permit number 106953L001. The Jaehne Pit and Portable Asphalt Plant #6 (RN106552342) produces/manufactures crushed aggregate and asphalt; and it is located along US-90, 4.7 miles west from the intersection of US-90 and FM 2369, Uvalde, Uvalde County.

This renewal will authorize the continued operation of a rock crushing plant and associated hot mix asphalt plant. Covered equipment includes crushers, hot mix plant, heaters, screens, conveyors, engines, and aggregate stockpiles. Colorado Materials, Ltd. has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

<b>Pollutant</b>	<b>Total Amount Allowed (tons per year)</b>
PM	26.39
PM10	13.05
PM2.5	3.29
NOx	26.83
CO	42.48
SO2	16.92
VOC	14.89

The facilities being renewed continue to be controlled by water or dust suppressant sprays, partial enclosure of the crushers, a baghouse, and dust collector systems.
