

Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number 108452

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

West Texas Rock Resources, LLC (CN 603180282) has submitted an application for renewal of permit number 108452. The Rock Crushing Plant #1 (RN 106565682) produces/manufactures crushed rock base material at 4500 County Road 116 Roscoe, Nolan County.

This renewal will authorize the continued operation of rock crushing plant. West Texas Rock Resources, LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
PM	9.70
PM10	4.69
PM2.5	2.15
NOx	22.83
CO	4.92
VOC	1.81
SO2	1.51

The facilities being renewed continue to be controlled by water sprays on the equipment and watering the stockpiles and roads.
