

**Plain Language Summary for New Source Review (NSR) Renewal
Application for Air New Source Review Permit Number 114681**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Slay Transportation Co., Inc. (CN600269427) has submitted an application for renewal of permit number 114681. The Slay Transportation Baytown Facility (RN106954704) conducts tank container cleaning operations at 5920 W. Bay Rd, Baytown, Chambers County.

This renewal will authorize the continued operation of the container cleaning equipment including a cleaning rack, vapor combustor unit and wastewater storage and handling facilities. Slay Transportation Co., Inc. has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
NOx	5.81
CO	14.19
SO2	0.13
PM10/2.5	0.68
VOC	10.24

The facilities being renewed continue to be controlled by gases being burned in a vapor combustor unit which assists in lowering what is released to the atmosphere.
