

Plain Language Summary for New Source Review (NSR) Renewal

Application for Air New Source Review Permit Number 116353

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Austin Precast LLC (CN604505875) has submitted an application for renewal of permit number 116353. The Specialty Batch Plant 1 (RN107071920) produces/manufactures concrete for poured concrete products at 12341 Old Kimbro Road, Manor, Travis County.

This renewal will authorize the continued operation of specialty concrete batch plant 1. Austin Precast LLC has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
PM*	0.321
NOx	3.88

** PM emissions includes PM₁₀ and PM_{2.5}.*

The facilities being renewed continue to be controlled by two central baghouse filters and water sprinklers/foggers.
