

**Plain Language Summary for New Source Review (NSR) Renewal
Application for Air New Source Review Permit Number 1175C**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Holcim-SOR, Inc., (CN603943606) has submitted an application for renewal of permit number 1175C. The Wylie RMX (RN100745124) produces/manufactures concrete ready-mix at 10709 State Hwy, Lavon, Collin County.

This renewal will authorize the continued operation of Wylie RMX. Holcim -SOR, Inc., has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
Particulate matter	2.57

The facilities being renewed continue to be controlled by roads and traffic areas will be controlled by watering them to control dust. Dust from stockpiles will be minimized by watering. Enclosures and baghouses will be used to control cement and fly ash.
