

## Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number 120167L001

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Vulcan Construction Materials, LLC (CN 600355465) has submitted an application for Renewal of Permit Number 120167L001. Simonton Sand & Gravel Plant (RN 107283764) produces sand and gravel and is located at 3551 East Farm-to-Market 1093, Wallis, Austin County.

This renewal will authorize the continued operation of a sand and gravel plant. Vulcan Construction Materials, LLC has certified that there will be no changes to the permit. The following permitted emission rates will remain the same.

<b>Pollutant</b>	<b>Proposed Emissions (Tons Per Year)</b>
PM	0.71
PM <sub>10</sub>	0.32
PM <sub>2.5</sub>	0.07

The facilities being renewed continue to be controlled by saturating the material with water. Material processed in the classifier, log washer, sand screws, and sumps are fully submerged in water. Roads, traffic areas, and stockpiles are watered.
