

Plain Language Summary for New Source Review (NSR) Renewal Application for Air New Source Review Permit Number 120197L001

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Williams Brothers Construction Co., Inc. (CN600520019) has submitted an application for renewal of permit number 120197L001. The Concrete Crushing Plant (RN107286395) produces/manufactures crushed concrete at 1150 feet west of Landings Blvd. on FM 517 League City, Galveston County.

This renewal will authorize the continued operation of concrete crushing plant to recycle aggregates. Williams Brothers Construction Co., Inc. has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
PM	1.29
PM10	0.62
PM2.5	0.11

The facilities being renewed continue to be controlled by sprinkling and spraying materials and dust control with water.
