

**Plain Language Summary for New Source Review (NSR) Renewal Amendment  
Application for Air New Source Review Permit Number 128854**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Corrigan OSB, L.L.C. (Corrigan) (CN60472483) has submitted an application for renewal of an amendment to Permit Number 128854. The Oriented Strand Board Mill (RN107922510) produces/manufactures oriented strand board (OSB) at 1923 Hwy 287 Corrigan, Polk County.

This renewal will authorize the continued operation of Corrigan's wood product manufacturing lines. The amendment will authorize the addition of new sources to the Corrigan 2 manufacturing line, updates to MSS activities, and updates to emission rates with new data from December 2024 and February 2025 Stack Test Results. Corrigan has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the current amount allowed; the amount to be added or removed, and the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

<b>Pollutants</b>	<b>Permitted Emissions (Tons Per Year)</b>	<b>Emissions Added/Deleted (Tons Per Year)</b>	<b>Total Proposed Emissions (Tons Per Year)</b>
PM	252.24	(-) 2.29	249.95
PM <sub>10</sub>	236.60	(+) 1.67	238.27
PM <sub>2.5</sub>	232.05	(+) 3.62	235.67
SO <sub>2</sub>	145.30	(+) 0.01	145.31
NO <sub>x</sub>	454.39	(+) 0.14	454.53
CO	314.66	(+) 0.03	314.69
Total VOC (Includes HAPs)	87.70	(+) 3.36	91.06
Total HAPs	20.81	(+) 8.28	29.09

The facilities being renewed are controlled by baghouses, wet electrostatic precipitators (WESPs) and regenerative thermal oxidizers (RTOs). The new and/or modified facilities will be controlled by the same control devices already in place.
