

Plain Language Summary for Renewal of Concrete Batch Plant Standard Permit
Application for Concrete Batch Plant Standard Permit Registration Number 134888

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Webber, LLC (CN602982654) has submitted an application to renew a specialty concrete batch plant under the Air Quality Standard Permit for Concrete Batch Plants for registration number 134888. The concrete batch plant (RN108716903) is located at 7581 North Interstate 45, Palmer, Ellis County.

This registration will authorize the concrete batch plant to have a maximum production rate of less than 30 cubic yards per hour of concrete and operate up to 8,760 hours per year. Particulate matter will be emitted from the handling of aggregate, cement, and flyash. Roads, traffic areas, and stockpiles will be watered to control dust. Enclosures and baghouses will be used to control cement and flyash dust.
