

**Plain Language Summary for New Source Review (NSR) Renewal Certification  
Application for Air New Source Review Permit Number 136918**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Unifirst Corporation (CN600396071) has submitted an application for renewal of permit number 136918. The Lubbock Plant of Unifirst Corporation (RN108860610) provides services as an industrial laundry located at 1727 E 8th ST, Lubbock, Lubbock County.

This renewal will authorize the continued operation of an industrial launderer washing and drying uniforms, mats, mops and toweling. UniFirst Corporation has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

<b>Pollutant</b>	<b>Total Amount Allowed (tons per year)</b>
VOC	2.28
HAP	1.01

The facilities being renewed continue to be controlled by adhering to the special conditions and emission rates set forth in permit 136918.
