Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number 137569

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

DavisWetzel Group LLC (CN605296888) has submitted an application for renewal of permit number 137569. The O'Donnell Crushing and Screening Plant (RN108912825) produces crushed rock located on east and west side of FM 2370 approx 0.57 mile north of its intersection with CR 1210, O'Donnell, Dawson County.

This renewal will authorize the continued operation of a rock crushing plant. DavisWetzel Group LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
PM	11.23
PM10	4.48
PM2.5	0.92
VOC	2.72
NOx	8.51
CO	11.47
SO2	3.70

The facilities being renewed continue to be controlled by water sprays. Roads and stockpiles are watered to control dust.
