

**Plain Language Summary for Concrete Batch Plant Standard Permit  
Application for Concrete Batch Plant Standard Permit Registration Number 152450**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 3. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Select Ready Mix, LLC (CN605541911) has submitted an application to amend Air Quality Standard Permit registration number 152450. The concrete batch plant facility (RN102600277) is located at 3258 State Highway 59 N, Bowie, Montague County, Texas.

This amendment will authorize a second concrete batch plant at the facility, with the facility having a maximum site-wide production rate of 300 cubic yards per hour of concrete and an operational schedule of up to 8,760 hours per year. Particulate matter will be emitted from the handling of aggregate, cement, and flyash. Roads and traffic areas will be controlled by watering them and paving them to control dust. Dust from stockpiles will be minimized by watering them. Enclosures and dust collectors will be used to control cement and flyash dust.
