

**Plain Language Summary for New Source Review (NSR) Renewal Certification**  
**Application for Air New Source Review Permit Number 16885**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Parker Hannifin Corporation (CN600312169) has submitted an application for renewal of permit number 16885. The Parker Hannifin Engineered Polymer Systems Division RN100218726 produces/manufactures rubber molded parts at 403 Industrial Drive, Nacogdoches, Nacogdoches County.

This renewal will authorize the continued operation of rubber gasket and seal manufacturing. Parker Hannifin Corporation has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

<b>Pollutant</b>	<b>Total Amount Allowed (tons per year)</b>
PM	0.80
PM <sub>10</sub>	0.80
PM <sub>25</sub>	0.80
VOC	140.19
NO <sub>x</sub>	7.85
CO	6.60
SO <sub>2</sub>	0.05

The facilities being renewed continue to be controlled by a carbon absorption system with a control efficiency of 98%, the use of high transfer efficiency equipment, use of closed containers for waste paint, rags, solvents, and other absorbent material storage, and quick cleanup of any solvent spills.
