Application for Concrete Batch Plant Standard Permit Registration Number 169057**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 3. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

R Construction Company (CN602613374) has submitted an application to register a permanent concrete batch plant under the Air Quality Standard Permit for Concrete Batch Plants for registration number 169057. The concrete batch plant (RN111499232) will be located at the following driving directions: From the intersection of Cowhide Dr. and FM 1093, go west on FM 1093 for 0.15 miles. Site entrance on the right, Simonton, Fort Bend County.

This registration will authorize the concrete batch plant to have a maximum production rate of 300 cubic yards per hour of concrete and operate up to 8,760 hours per year. Particulate matter will be emitted from the handling of aggregate, cement, and flyash. Roads and traffic areas will be controlled by watering and paving them to control dust. Dust from stockpiles will be minimized by watering. Enclosures and baghouses will be used to control cement and flyash dust.
