

Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number 17076

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Colorado Materials, Ltd. (CN600522452) has submitted an application for Renewal of Permit Number 17076. The Rock Crushing Plant (RN100848076) produces crushed stone and is located at 5080 Farm-to-Market 2439 within the Jurisdiction for Stone Extraction (ETJ) of San Marcos near New Braunfels, Comal County.

This renewal will authorize the continued operation of a rock crushing plant. Colorado Materials, Ltd. has certified that there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Proposed Emissions (Tons Per Year)
PM	44.64
PM ₁₀	21.24
PM _{2.5}	21.24

The facilities being renewed continue to be controlled by water sprays. Roads, traffic areas, active work areas, and stockpiles are watered to control dust.
