

**Plain Language Summary for New Source Review (NSR) Initial
Application for Air New Source Review Permit 173065**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Balcones Distilling LLC (CN603924226) has submitted an application for an initial permit number 173065. The Balcones Distillery (RN100556216) will produce distilled spirits at 225 South 11th Street, Waco, McLennan County.

This permit will authorize emissions associated with grain receiving, milling, and storage, and ethanol distillation operations for the purpose of whiskey distillation at the site. Balcones Distilling LLC has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
Volatile Organic Compounds (VOC)	7.68
Particulate Matter (PM)	0.64
PM10	0.28
PM2.5	0.08

The new facilities will be controlled by a cyclone bag house filtration system and the maintenance of distillation and barrel aging equipment.
