

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 17313**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Martech, LLC (CN603839721) has submitted an application for renewal of permit number 17313. The Martech facility (RN101469146) produces/manufactures plastic products at 1650 N. Highway 67, Midlothian, Ellis County.

This renewal will authorize the continued operation of casting resin, laminating resin, and gel coat products manufacturing. *Martech, LLC* has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
VOC	23.87
PM	0.86
HAP	<10 each, <25 aggregate

The facilities being renewed continue to be controlled by good manufacturing practices to minimize emissions to the atmosphere.
