

**Plain Language Summary for New Source Review (NSR)  
Initial Application for Air New Source Review Permit Number 173214**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Custom Cut Lumber Operations, LLC. (CN 606186377) has submitted an application for initial permit number 173214. The sawmill, Custom Cut Lumber (RN 111239513) will produce / manufacture pine and hardwood lumber products at 145 County Road 2423 Alto, TX 75925, Cherokee County.

This permit will authorize Custom Cut Lumber to process logs into green lumber using electrically powered saws and a kiln heated by electricity and wood to dry a small percentage of the lumber. Custom Cut Lumber has listed in the application the pollutants and amounts that will be emitted for the facility. Below is the total amount for each pollutant that is proposed to be emitted each year for the facility.

<b>Pollutant</b>	<b>Proposed Emissions (tons per year)</b>
PM 10	14.4
PM 2.5	8.6
VOC	1.5

The facility will be controlled by the appropriate control technology for kiln drying, chipping, and sawing activities.
