

Plain Language Summary for New Source Review (NSR) Amendment Application for Air New Source Review Permit Number 177448

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Covia Clay LLC (CN605901685) has submitted an application for an amendment to permit number 177448. The Clay Processing Facility (RN100219120) will process clay at 23769 TX-110, Troup, TX, Cherokee County.

This amendment will authorize minor updates to equipment in use at the site and removal of the mill process area (which has been decommissioned) from the permit. Covia Clay LLC listed in the application the pollutants and amounts that will be emitted for each facility. Below is the current amount allowed, the amount to be added or removed, and the total amount for each pollutant that is proposed to be emitted each year for the facility.

Pollutant	Permitted Emissions (tons per year)	Emissions Added/Removed (tons per year)	Total Proposed Emissions (tons per year)
