

Plain Language Summary for New Source Review (NSR) Initial Application for Air New Source Review Permit Number 174641L001

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Martin Marietta Materials Southwest, LLC (CN606114726) has submitted an application for initial to permit number 174641L001. The Rock Crushing Facility (RN111846630) will produce/manufacture crushed rock and concrete at 18601 Farm-to-Market Road 969, Manor, Travis County.

This permit will authorize the operation of a portable rock and concrete crusher plant. Martin Marietta Materials Southwest, LLC has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the current amount allowed, the amount to be added or removed, and the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Total Proposed Emissions (tons per year)
PM	3.199
PM10	1.427
PM2.5	0.502
NOx	6.72
CO	5.88
SO2	2.1
VOC	2.52

The new facilities will be controlled by water sprays at material transfer points as necessary and the application of water to plant roads, traffic areas and stockpiles.
