

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 17515**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Ash Grove Cement South Texas LLC (CN606016797) has submitted an application for renewal of permit number 17515. The Beaumont Cement Terminal (RN102174877) produces/manufactures bulk cement at 2850 W Dear Street, Beaumont, Jefferson County.

This renewal will authorize the continued operation of a cement distribution terminal that includes cement silos and truck loadout areas. Ash Grove Cement South Texas LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
Particulate Matter (PM)	3.29
Particulate Matter less than 10 microns (PM ₁₀)	3.16

The facilities being renewed continue to be controlled by fabric filters.
