

Plain Language Summary for New Source Review (NSR) Initial Application for Air New Source Review Permit Number 175349

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Arcosa Shoring Products, Inc. (CN606125490) has submitted an application for initial permit number 175349. The CWS Road Plate Facility (RN111710364) will produce/manufacture road plates for shoring at 7600 S Sante Fe Drive Suite B, Houston, Harris County.

This permit will authorize paint booth operations at the facility. Arcosa Shoring Products, Inc. has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

| Pollutant | Proposed Emissions (tons per year) |
|------------------|---|
| VOC | 16.39 |
| PM | 0.0044 |
| | |

The new facilities will be controlled by a paint booth with high capture filters to reduce impact to the environment.
