

Plain Language Summary for New Source Review (NSR) Initial Permit Application

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Holcim Solutions and Products US, LLC. (CN604297986) has submitted an initial permit application. The Corsicana facility (RN103019717) produces/manufactures insulation board at 4201 E. Highway 31, Corsicana, Navarro County.

This application will authorize the continued operation of equipment associated with insulation board manufacturing, which was previously authorized under NSR Permit No, 54380. Holcim Solutions and Products US, LLC has certified there will be no changes to the previously authorized operations or emissions, except for a reduction in PM emissions. The other emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
VOC	91.36
PM	0.21
PM ₁₀	0.21
PM _{2.5}	0.21
NO _x	1.91
CO	1.6
SO ₂	0.02
Exempt Solvents	22.78
Individual HAPs	< 10
Total HAPs	< 25

The facility continues to be controlled by the dust collection system and regenerative thermal oxidizer.
