

**Plain Language Summary for New Source Review (NSR) Initial
Application for Air New Source Review Permit Number 177045**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Paladin Gatco, LLC (CN605549401) has submitted an application for initial permit number 177045. The Waller Plant (RN107732547) manufactures septic systems and precast products at 32107 Rothen Rd, Waller, Waller County.

This permit will authorize an existing specialty concrete batch plant. Paladin Gatco, LLC has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
PM	1.47
PM10	0.46
PM2.5	0.06

The facilities will be controlled by watered roads, watered stockpiles, enclosed building, and dust collectors for the silos.
