

Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number 1781A

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Ingram Readymix No. 7, LLC (CN604019737) has submitted an application for renewal of permit number 1781A. The Ingram Readymix Plant 7 (RN102736857) produces/manufactures ready mix concrete at 37345 Interstate 10 W, Boerne, Kendall County.

This renewal will authorize the continued operation of manufacturing ready mix concrete. Ingram Readymix No 7, LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
PM	0.06
PM10	0.07

The facilities being renewed continue to be controlled by by silo dust collectors for cement silo operations, receiving washed aggregates, and a central dust collector for truck loading operations.
