

**Plain Language Summary for New Source Review (NSR) Initial
Application for Air New Source Review Permit Number 179029**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Apache Global Painting, Inc. (CN602717878) has submitted an application for initial permit number 179029. The North Lake Houston Facility (RN107066748) is a surface preparation and surface coating facility at 11611 North Lake Houston Parkway, Houston, Harris County.

This permit will authorize an increase in emissions from the facility due to increased usage of surface preparation and surface coating materials. Apache Global Painting, Inc. has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
VOC	49.40
PM	24.37
PM10	5.9
PM2.5	0.88
HAPS	22.76
EXEMPT SOLVENT	31.26

The new facilities will be controlled by utilizing TCEQ compliant coatings and air-assisted and air-less equipment. Particulate filters will also be used to control emissions from the facility.
