

**Plain Language Summary for New Source Review (NSR) Initial
Application for Air New Source Review Permit Number 179297**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Accelerated Mobile Power, LLC (CN606359487) has submitted an application for initial permit number 179297. The Pembroke Gas Plant Mobile Power Station (RN112163415) will produce electricity for a gas plant about 5 miles south of FM 2401 and FM2594's intersection, near Midkiff, Upton County.

This permit will authorize four turbines, associated fugitive components, and start-up and shutdown events. Accelerated Mobile Power, LLC has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
NO _x	94.59
CO	99.40
SO ₂	7.53
VOC	20.72
PM	17.29
PM ₁₀	17.29
PM _{2.5}	17.29
HAP	1.98

The new facilities will be controlled by using good combustion and best management practices.
