Application for Concrete Batch Plant Standard Permit Registration Number (179903L001)**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Estrada Concrete Company, LLC (CN603805607) has submitted an application to register a temporary concrete batch plant under the Air Quality Standard Permit for Concrete Batch Plants for registration number (179906L001). The concrete batch plant (RN112196985) is proposed to be located at 1760 E Beltline Road Coppell, Dallas County, Texas 75019.

This registration will authorize the concrete batch plant to have a maximum production rate of 200 cubic yards per hour of concrete and operate up to 8,760 hours per year. Particulate matter will be emitted from the handling of aggregate, cement, and fly ash. Roads and traffic areas will be controlled by watering them/paving them to control dust. Dust from stockpiles will be minimized by watering. Enclosures and dust collectors, including a central baghouse, will be used to control cement and fly ash dust.
