

**Plain Language Summary for Concrete Batch Plant Standard Permit
Application for Concrete Batch Plant Standard Permit Registration Number 181093**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Webber, LLC (CN 602982654) has submitted an application to register a specialty concrete batch plant under the Air Quality Standard Permit for Concrete Batch Plants for registration number [NEW]. The concrete batch plant (RN 112234505) will be located at 4454 FM 482, New Braunfels, Comal County.

This registration will authorize the concrete batch plant to have a maximum production rate of 60 cubic yards per hour of concrete and operate up to 8760 hours per year. Particulate matter will be emitted from the handling of aggregate, cement, and flyash. Roads, traffic areas, and stockpiles will be controlled by watering to control dust. Enclosures and baghouses will be used to control cement and flyash dust.
