Plain Language Summary for Concrete Batch Plant Standard Permit
Application for Concrete Batch Plant Standard Permit Registration Number (184603)

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Estrada Concrete Company, LLC (CN603805607) has submitted an application to register a permanent concrete batch plant facility, consisting of two concrete batch plants, under the Air Quality Standard Permit for Concrete Batch Plants for registration number (184603). The concrete batch plant facility (RN112483433) is proposed to be located at the following driving directions: From the intersection of Farm to Market Road 429 and County Road 130, go southwest on Farm to Market Road 429 for approximately 0.4 miles. Site will be on the right, near Terrell, Kaufman County, Texas 75161.

This registration will authorize the concrete batch plant facility to have a maximum production rate of 300 cubic yards per hour of concrete and operate up to 8,760 hours per year. Particulate matter will be emitted from the handling of aggregate, cement, and fly ash. Roads and traffic areas will be controlled by watering them/paving them to control dust. Dust from stockpiles will be minimized by watering. Enclosures and dust collectors, including central dust collectors, will be used to control cement and fly ash dust.
