

**Plain Language Summary for New Source Review (NSR) Renewal
Application for Air New Source Review Permit Number [18517]**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

High Plains Concrete Co. (CN600980304) has submitted an application for renewal of permit number 18517. The High Plains Concrete Co. (RN102539970) produces/manufactures Ready-mix concrete at 1601 NW 6th St., Tulia, Swisher County.

This renewal will authorize the continued operation of concrete batch plant. High Plains Concrete Co. has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
PM	0.07
PM10	0.12

The facilities being renewed continue to be controlled by water spraying which reduces the PM emission during the operation.
