

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 18785**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Tennessee Gas Pipeline Company, L.L.C. (CN601223811) has submitted an application for renewal of permit number 18785. The TGP Compressor Station #17-East Bernard (RN100221274) produces/manufactures Natural Gas Transmission at 22480 FM 1164 RD, East Bernard, Wharton County.

This renewal will authorize the continued operation of the compressor station consisting of two regenerative cycle turbine engines. Tennessee Gas Pipeline Company, L.L.C. has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
NOx	518.00
CO	4.00
VOC	1.48
PM	4.62
SO2	0.40
