

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 19484**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Maverick Maintenance & Supply, LLC (CN605438670) has submitted an application for renewal of permit number 19484. The Market Street Plant (RN100218346) produces/manufactures plastic pipes and parts at 321 S Market St, Karnes City, Karnes County.

This renewal will authorize the continued operation of composite manufacturing of pipes and parts. Maverick Maintenance & Supply, LLC, has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
Styrene	34.07
Acetone	15.32
PM	3.03

The facilities being renewed continue to be controlled by the use of particulate filters, as well as by the use of resins meeting HAP content limitations from 40 CFR 63 Subpart WWWW for Composite Manufacturers.
