

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 19875**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Holly Energy Partners - Operating, LP (CN602777476) has submitted an application for renewal of permit number 19875. The Abilene Bulk Fuels Terminal (RN102170412) produces/manufactures bulk fuels at 1000 South Service Road, Tye, Taylor County.

This renewal will authorize the continued operation of the Abilene Bulk Fuels Terminal. Holly Energy Partners - Operating, LP has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
VOC	40.22
CO	10.96
NOx	2.75

The loading rack will continue to be controlled by the flare when loading gasoline or transmix.
