

**Plain Language Summary for New Source Review (NSR) Renewal
Certification Application for Air New Source Review Permit Number 19926**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Plaskolite Texas LLC (CN603101023) has submitted an application for renewal of permit number 19926. The Plaskolite Texas facility (RN102542263) produces/manufactures Plastic Products at 5300 US Highway 80, Grand Saline, Van Zandt County.

This renewal will authorize the continued operation of Plaskolite Texas' plastic products manufacturing facility. Plaskolite Texas LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
VOC	55.35
PM	1.47
ES	0.72
HAP	<10 each, <25 aggregate

The facilities being renewed continue to be controlled by good manufacturing practices to minimize emissions from the facility.
