

**Plain Language Summary for New Source Review (NSR) Renewal
Application for Air New Source Review Permit Number 20081**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Carbon Silica Partners LP (CN602552499) has submitted an application for renewal of permit number 20081. The Diamond Fiberglass Fabricators facility (RN100219443) produces/manufactures fiberglass tanks at 1036 Industrial Park Drive, Victoria, TX, Victoria County.

This renewal will authorize the continued operation of fiberglass tank manufacturing. Carbon Silica Partners LP has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (Tons Per Year)
VOC and Exempt Solvent	58.36 TPY

The facilities being renewed continue to be controlled by an exhaust system and cloth filters.
