

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 20519**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Texas Lime Company (CN600125090) has submitted an application for renewal of permit number 20519. The Texas Lime Plant (RN100210889) produces/manufactures aggregates for use in the lime production process at 15865 FM1434, Cleburne, Johnson County, Texas.

This renewal will authorize the continued operation of the limestone processing plant. The Texas Lime Company has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutants	Total Amount Allowed (Tons Per Year)
PM	25.52
PM10	16.69
NOx	33.72
VOC	1.86
CO	28.32
SO2	5.06

The facilities being renewed continue to be controlled by fabric filters, partial enclosures, enclosures, and water sprays.
