

Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number 20813

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

SICPA Securink Corp. (CN600473425) has submitted an application for renewal of permit number 20813. The SICPA Securink Corp. (RN100787571) produces/manufactures printing inks at 4049 Meacham Boulevard, Haltom City, Tarrant County, Texas 76117.

This renewal will authorize the continued operation of manufacturing of printing inks. SICPA Securink Corp. has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
Volatile Organic Compounds (VOCs)	4.0
Particulate Matter (PM)	2.1

The facilities being renewed continue to be controlled by Dust collection equipment for PM. Also, SICPA will follow good manufacturing practices to reduce the loss of VOCs.
