

Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number 21258

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Texas Materials Group, Inc. (CN600317473) has submitted an application for renewal of permit number 21258. The Turkey Bend Asphalt Plant (RN100859255) produces/manufactures asphalt paving mixtures located at 5303 Navigation Blvd., Houston, Harris County.

This renewal will authorize the continued operation of a hot mix asphalt plant that includes silos, stockpiles, storage tanks, and a heater. Texas Materials Group, Inc. has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
VOC	13.36
NOx	23.24
SO2	23.64
PM	13.57
PM10	12.83
PM2.5	8.66
CO	52.38
HCL	0.08
Pb	0.01

All roads, work areas, drop points, and stockpiles being renewed continue to be controlled by spraying water. The drum dryer will continue to be controlled by a fabric filter baghouse.
