

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 22440**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

TransMontaigne Operating Company L.P. (CN603418971) has submitted an application for renewal of permit number 22440. The Border Terminal (RN102899671) operates as a bulk storage petroleum terminal located at 8700 State Highway 48, Brownsville, TX 78521, Cameron County.

This renewal will authorize the continued operation of the Border Terminal. TransMontaigne Operating Company L.P. has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
VOC	Less than 100 tons.
HAPs	Less than 25 tons.

The facilities being renewed continue to be controlled by appropriate emissions controls meeting industry standards.
