

**Plain Language Summary for New Source Review (NSR) Renewal  
Application for Air New Source Review Permit Number 2263**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Ingram Readymix No. 9 L.L.C. (CN604019745) has submitted an application for renewal of permit number 2263. The Marble Falls Plant (RN102571247) produces/manufactures readymix concrete at 2701 Trade Street Marble Falls, Texas, Burnet County.

This renewal will authorize the continued operation of the concrete batching activities. Ingram Readymix No. 9 L.L.C. has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

<b>Pollutant</b>	<b>Proposed Emissions (tons per year)</b>
PM	0.423
PM 10	0.167
PM 2.5	0.028

The facilities being renewed continue to be controlled by silo dust collectors for cement silo operations, truck loading shrouds with filtration baghouses for particulate control during batch loading, and receiving washed aggregates.
