Application for Air New Source Review Permit Number 2351A**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

ET Gathering & Processing LLC., (CN 606187110) has submitted an application for an Amendment to Permit Number 2351A. The Coyanosa Gas Plant (RN 100239698) will process natural gas at 4259 Mobil Road, Coyanosa, Pecos County.

This amendment will authorize a revision to the representation of compressor engine Emission Point Number 14 to service inlet gas and add piping components. This amendment will also authorize a revision to the emission calculation methodology of the acid gas flare to include an alternate operating scenario when the sulfur recovery unit can be bypassed to the flare. ET Gathering & Processing LLC., has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the current amount allowed the amount to be added or removed, and the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutants	Permitted Emissions (Tons Per Year)	Emissions Added/Removed (Tons Per Year)	Total Proposed Emissions (Tons Per Year)
