

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 25299**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

OXEA Corporation (CN603164716) has submitted an application for renewal of permit number 25299. The OXEA Bay City Plant (RN105195655) is a Chemical Plant at 2001 FM 3057, Bay City, Matagorda County.

This renewal will authorize the continued operation of the Bay City Plant. OXEA Corporation has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
VOC	33.81
NOx	0.76
CO	3.70

The facilities being renewed continue to be controlled by an Ethylene Flare.
