

**Plain Language Summary for New Source Review (NSR) Renewal Certification  
Application for Air New Source Review Permit Number 25875**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

ET Gathering & Processing LLC (CN606187110) has submitted an application for renewal of permit number 25875. The La Grange Gas Processing Plant (RN100215136) is a cryogenic natural gas processing and condensate stabilization plant located at 7307 N US Highway 77, La Grange, Fayette County.

This renewal will authorize the continued operation of natural gas fired compressor turbines, natural gas fired process heaters, a produced water storage tank and respective support facilities and appurtenances. ET Gathering & Processing LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

<b>Pollutant</b>	<b>Total Amount Allowed (tons per year)</b>
NO <sub>x</sub>	51.17
CO	51.74
VOC	12.35
PM <sub>10/2.5</sub>	1.96
SO <sub>2</sub>	3.87

The facilities being renewed continue to be controlled by lean operation of the turbines and routine maintenance practices.
