

**Plain Language Summary for New Source Review (NSR) Renewal
Application for Air New Source Review Permit Number 28335**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Texana Tank Car & Manufacturing Ltd. (CN603128778) has submitted an application for renewal of permit number 28335. Texana Tank Car (RN100688993) manufactures and repairs rail cars at 290 County Road, Texarkana, Bowie County.

This renewal will authorize the continued operation of welding, painting, blasting and flaring of rail cars. Texana Tank Car & Manufacturing Ltd. has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
VOC	56.69 TPY
PM (including PM10)	2.26 TPY
SO2	0.05 TPY
CO	5.18 TPY
NOx	8.94 TPY
NH3	0.03 TPY
Non-VOC	3.52 TPY
Combined HAP	<25.00 TPY

The facilities being renewed continue to be controlled by an enclosed paint booth with filtration above 97%, ventilation and elevated stacks to reduce and capture fumes. Proper equipment will be used in paint applications to reduction of fumes. Gases are burned off which lowers emissions going into the air.
