

## APPENDIX C. PLAIN LANGUAGE SUMMARY

---

### Plain Language Summary for New Source Review (NSR) Renewal Application for Air New Source Review Permit Number 29966

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

OXEA Bishop, LLC (CN603160979) has submitted an application for renewal of permit number 29966. The OXEA Bishop Facility (RN105467039) is a chemical plant at 5738 County Road 4, Bishop, Nueces County.

This renewal will authorize the continued operation of the Bishop Facility. OXEA Bishop, LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

| Pollutant         | Total Amount Allowed<br>(tons per year) |
|-------------------|-----------------------------------------|
| VOC               | 23.00                                   |
| PM                | 0                                       |
| PM <sub>10</sub>  | 0                                       |
| PM <sub>2.5</sub> | 0                                       |
| CO                | 0                                       |

The facility being renewed continues to be controlled by a scrubber and internal floating roof tank.
