

Plain Language Summary for New Source Review (NSR) Renewal Application for Air New Source Review Permit Number 3113

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Molson Coors USA LLC (CN605448059) has submitted an application for renewal of permit number 3113. The Fort Worth Brewery (RN102649399) manufactures malt beverages at 7001 South Freeway, Fort Worth, Tarrant County.

This renewal will authorize the continued operation of the manufacturing and packaging of malt beverages. Molson Coors USA LLC has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the current amount allowed, the amount to be added or removed, and the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
VOC	77.12
HAP	4.33

The facilities being renewed continue to be controlled by good operating practices.
