

Plain Language Summary for New Source Review (NSR) Renewal Certification Application for Air New Source Review Permit Number 4080

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

HM South Texas Concrete LLC (CN603439233) has submitted an application for renewal of permit number 4080. The Campbell Spring Plant 22 (RN102590791) produces/manufactures ready mixed concrete at 621 W Riley Fuzzel Road, Spring, Harris County.

This renewal will authorize the continued operation of a permanent concrete batch plant. HM South Texas Concrete LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
PM	2.1
PM 10	0.71
PM 2.5	0.29

The facilities being renewed continue to be controlled by watering surfaces, paved surfaces, dust collectors and confinement of the loading area.
