

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 4349**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

JSW Steel (USA), Inc. (CN603269366) has submitted an application for renewal of permit number 4349. The Baytown facility (RN100217421) produces/manufactures steel pipes at 5200 E McKinney Rd, Baytown, TX, Chambers County.

This renewal will authorize the continued operation of equipment associated with steel pipe manufacturing. JSW Steel (USA), Inc. has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
VOC	3.97
PM	17.42
PM ₁₀	11.61
PM _{2.5}	11.61

The facilities being renewed continue to implement best management practices to minimize fugitive emissions.
